B. VASUDEVAN

Principal Research Scientist

Head, High Speed Wind Tunnel Complex

30th July 2018

LETTER OF APPRECIATION

To

DHANANJAYA ENTERPRISES

37/15 MEANEE AVENUE

TANK ROAD, BANGALORE - 560 042

This is to acknowledge the supply of electrically operated valves with actuators and electro-pneumatically operated, quarter turn, quick acting valves as part of erecting the First and Second Hypersonic Wind Tunnel Facility in the country at the High Speed Wind Tunnel Complex, Department Of Aerospace Engineering, Indian Institute of Science, Bangalore.

As the Head of High Speed Wind Tunnel Complex, I would like to express my appreciation and happiness for their proactive service which helped boost the country's R&D technology in the aerospace sector.

B. VASUDEVAN

**Principal Research Scientist & Head
Hypersonic Wind Tunnel**
